

DiaLan

sterile lancets, 30 Gauge

Sterile safety lancets with protective cap. The protective cap can be easily pulled off for use or pulled back on for a safe disposal.

Soft tri-bevel point (30g / 0,29mm) for a nearly painless blood sampling. Single use only.

Fits most standard lancing devices.

Sterility of lancet tip is maintained until protective cap is removed.

Indications:

- diabetes
